

Rang 2

Weekly Work –Final Week

Hi all,

I am just putting up work for Mon – Thurs. It is really just some bits left in our books. Overall, I am very happy that you have all of the 2nd class course covered. So a humongous well done!!

Of course, there are aspects of work that I will inform your teacher next year about, so please don't be overly concerned if your child found something difficult over the last few weeks.

Do something nice on Friday – you *all* deserve it!

Monday

English- Read Unit 22 p88 and complete p89, 90 (just the exercises in the book)

Maths – Have a go at Planet Maths – p155 – (It is nice revision).

Tuesday

English – Re read story – Peter and the Dragon and complete p91 in book.

Maths –p156 Planet Maths (similar to yesterday).

Wednesday

Maths- Have a read through p 157 with your child. – Looking at the time section at the bottom of the page- just a gentle reminder to continue asking your child the time over the Summer. Try and do it in

a way they don't know you are teaching them!! At this stage they should be ok with o clock, half past, quarter to and quarter past. No need for anything else.

English –Read Unit 33- Tigers. Complete p93 and p94.

Thursday

Maths –Revision of p158 and p159- try one last tables test!!

They should know all answers in their head.

English- Re read Tigers and complete p95.

Can you say all the words on p 96? Can you remember the story each word is from? Perhaps play a game of 'Fastest Finger First'.

Sin é –

I would like to wish you all a very happy and safe Summer. This certainly was a year you (nor I) will ever forget!

Looking forward to seeing you all in September and especially planning and preparing for our Holy Communion which I promise you will be better than ever!!

Remember – be good, be kind and stay safe!

Slán,

Ms Macnamara
