Hi all,

I am dividing the work into 'work for each day' this week. I hope it helps some of you. This week I am prescribing English, Irish and Maths plus one other item for each day.

Also, Well Done on all your work on Mathletics. I see a few of you have won bronze awards – Super work!

Tuesday

Maths – Mental Maths- Week 35 – Monday and Tuesday.

Don't forget to label the lines when you are finished.

Draw a square all sides are 5cm.

Draw a rectangle, sides 6cm, 6cm, 3cm and 3cm.

Tables +/- 3. –make it fun if you can. Get your child to make out cards (1-10), the same size as playing cards with one big number on them. Turn over the top card- they must add 3 very quick and shout answer. Next time, turn over card and your child must take away 3 and shout answer.

English- The Green Genie – Unit 15 -Pets- read story and words at bottom of page for spellings, Activity A, p 61 (in copy), Activity B and C in book.

Irish- Read your new poem again.

Have a go at Irish News in your copy.

Look at my **An Nuacht** below. I think you should understand everything. Explain to your dad and mam!! As with everything, léigh é amach os ard! (read out loud).

Science – RTE school hub are doing a lovely lesson today on Design and Making. Tune in and give it a go.

Thursday

Maths – Mental Maths – Thursday

Tables - +/- 4

Planet Maths –revise counting in 2's, 3's, 4's, 5's, 10's,

If your child is able for more, challenge them with counting in 6's, 7's, 8's, 9's. If your child is comfortable with the first set of numbers above, that is perfect. No easy way of doing them, just off by heart/rote learning! It is well worth it though.

Planet Maths - p130 and p131 A, B and C.

English – Re read story. Today read every second paragraph out loud and silently. Pick out the adjectives in the story, (they describe nouns). Write 1 page about your pet. Activity D p61.

Irish- Go back over poem. Amhrán na bhFiann song- Trup, Trup. Sing them out loud!

History – The Children of Lir story. This story was taught on the RTE school hub on Monday 27th April. View that on RTE player or Youtube have plenty of short versions too.

Choose any activity - Children can do diary entry of what one of the children wrote in their diary. Or/ and draw six small pictures of key events in the story. Divide an A4 page in 6 and put the events in the correct order. Ask your child to retell the story.

Have a go and Enjoy!

Again, these are suggested ideas. You know what your child is able for. Two good hours in the mornings is ample for your child. Perhaps one of them can incorporate RTE school hub on RTE 2 at 11am.

Get as much physical activity and fresh air as possible and keep screen time to as late as you can in the evenings.

This week I have set up the See Saw app. You can download the app on your phone.

Download the See Saw classroom app. Choose 'I'm a student' and enter the code CUDE JSBU. (This particular code expires on May 10th).

It is an easier platform to share pictures of your child's work (just with me) and I will be in a better position to offer feedback if there are any queries etc. We will see how it goes. I will continue to post work here weekly.

Don't hesitate to contact via the school email either.

Looking forward to seeing you,

A. Macnamara

Micí Moncaí

Is mise Micí Moncaí *(I am Mickey Monkey)*
Cónaím thíos sa choill *(I live down in the woods)*
Tá mo thigín sa chrann *(My little house is in the tree)*
Rithim suas gan mhoill. *(I run up it without delay)*

Nuair a thagaimse anuas *(When I come down,)*
Bíonn banana i mo bhéal *(There is a banana in my mouth)*
Mar is mise Micí Moncaí- *(So, I am Mickey Monkey)*
Sin deireadh leis mo scéal! *(That's the end of my story!)*

An Nuacht

Níl mé ar scoil. Tá mé sa bhaile. Níl mo chairde ar scoil. Tá mo chairde sa bhaile. Níl mo mhúinteoir ar scoil. Tá mo mhúinteoir sa bhaile.

Tá an víreas corónach fós againn in Éirinn.
