

Week 15<sup>th</sup> June 2020.

Hello everybody and I hope everyone is doing well. It's our last week of school and I would like to thank all students, parents and anyone else who has been helping out with homework over these past few months. I finish Friday and I would like to say a big "Thank You and Goodbye" to everyone in 3<sup>rd</sup> class. While I only spent a short time getting to know you all I really enjoyed it.

**Monday:** English: Check out the power point on minibeasts around the world. Read the insect cards and these will help you to write an acrostic poem on any minibeast for example TARANTULA.

**Tuesday:** Minibeast Hunt. Use the attached sheet to help you on your minibeast hunt.

**Wednesday:** Art & Science. Make a minibeast hotel, follow the instructions on the sheet attached

**Thursday:** Write about your favourite memory during lockdown.

**Friday:** School holidays. Have a party and celebrate all the hard work you've been doing!

Many Thanks,

Lisa Moloney.
