Song

Children, I would love if you would consider entertaining the world....Let me explain. As you are all aware Covid 19 who had us all isolated and deprived of fun and friendship for so long may be bidding us a long good bye. Hopefully, in the next few weeks we will see our world opening up again and what better way to celebrate our joy than to sing . The following is a very appropriate song on YouTube by The New Seekers "I'd Like To Teach the World To Sing "(In Perfect Harmony). May I respectfully suggest that you get your family together, or a group with adults and while observing the rules of social distancing learn the words. If anyone has a musical accompaniment so much the better. Use all the musical talent that you can find... Now, this is the main part... have somebody lined up to record you and post your GROUP on YouTube, or send into The Today Show with Maura and Dáithí rte1, Ireland A.M., or The 6 o Clock show, ! Compose a name, e.g. - The New Dawn Awakeners, Well World Welcomers; The Failte Romhaibhs... Na Dúisigís: NOBODY else has thought of this so you be first, who knows but you could become famous and make everybody so proud......

I'd like to build the world a home

And furnish it with love

Grow apple trees and honey bees and snow-white turtle doves

I'd like to teach the world to sing

In perfect harmony

I'd like to hold it in my arms and keep it company

I'd like to see the world for once

All standing hand in hand

And hear them echo through the hills

"Ah, peace throughout the land"

(That's the song I hear)

I'd like to teach the world to sing (that the world sings today)

In perfect harmony

I'd like to teach the world to sing

In perfect harmony

I'd like to build the world a home

And furnish it with love

Grow apple trees and honey bees and snow-white turtle doves.

Bye bye Covid (2) Welome world

You might compose a chorus of your own...
