| SESE | History: Look up RTÉ archives and find video of Hospital, Co Limerick. Use that as inspiration for your own history records. Ask your parents and grandparents for stories about school and life in general and write them into your copies. | Geography: research the moon and find 20 facts - use these topics as guidance: Distance from earth, lunar eclipse, moon landings, gravity, size, weather, water, moon phases, the far side of the moon. | Science: Find a lunch box with a lid, put some small toys in it and fill it with water. Close the lid and make sure it doesn't leak. Put it in the freezer. | STEM: Take the lunch box out of the freezer and find as many ways as you can to free the toys from the ice - take plenty photos of your efforts! Write about your investigation. | Music/Art: Origami ninja star on youtube. Draw with Don - the curlew - also on youtube. |
| <p>Should anyone wish to join the Seesaw group, contact the school at any stage and we'll arrange it.</p> | | | | | |
